

SINDIKA PRODUCTIONS AND CONSULTING UK is a uniquely placed service and production company involved in film & documentary productions as well as consulting services based in the United Kingdom. We are active in the promotion of films in INTERNATIONAL FESTIVALS and specializing in features from the Russian Federation, East European countries and the Middle East. Our services encompass all aspects of promotion and consulting regarding the marketing and screening of independent films in UK & INTERNATIONAL FESTIVALS.

In the production aspects we promote and seek co-productions in Europe, Russia and the Middle East for quality entertainment.
